Every day in our community, a woman is faced with a life and death decision for her preborn child. The pressure she faces is intense and the value of the innocent life in her womb is often minimized. But PROMISS is here to help. At our centers, we offer her counseling, support, and truth. In this loving atmosphere, she can see hope in a situation that may have seemed hopeless. We walk alongside her to give her the tools for making a life choice and carrying to term a healthy baby. We make available to her free of charge a pregnancy helpline, pregnancy testing, life options counseling, and an obstetrical ultrasound. After her baby is born, we continue to provide free parenting education, baby diapers, wipes, clothing, formula, and other necessities once a week to help her provide a nurturing and loving environment for her child. God empowers PROMISS to be there for expectant mothers through the financial, material, and prayerful support of people like YOU. To learn more about PROMISS and how you can partner with the ministry to save lives, call 228-297-6477.
